The Service Photo-Engraving Company,  
168 Park Row,  
New York.

Dear Sirs:-

I am herewith returning the bill for the cuts made for us the other day as I can not see why any such price was charged. To begin with there were but two cuts, two originals were given you with instructions to make one cut from each and two blocks were delivered. According to your latest scale the total bill should be under eight dollars.

Yours very truly,

Curator.
